A FESTIVAL OF TRADITIONAL DANCING & MUSIC

AT THE SARATOGA SPRINGS CITY CENTER AND HILTON HOTEL IN SARATOGA SPRINGS, NY

THE SARATOGIAN

observer

Welcome to the 27th annual Flurry Festival!

Another Flurry weekend is here already! We have had a busy and exciting year planning for this year's festival and are so excited to enjoy the weekend with you!

Many of you come year after year with your children and we are very honored to be part of your family traditions. It is you who help us make the Flurry a festival with great age diversity. We also welcome the energy of our ever growing youth population, who are discovering the joys of traditional music and dance.

A Festival of Traditional Dancing & Music

If this is your first Flurry experience, we extend a double welcome to you! We are so glad to be able to provide this warm, joyous, and energetic weekend in the midst of the cold winter months. We have lined up a phenomenal schedule with a mountain of activities for families with young children, a dynamic line-up to keep teens busy, and loads of activities for all including storytelling, singing sessions, musical instrument classes, jamming and, of course, non-stop dancing at all levels of experience.

The Flurry is a special place on earth; one where over 5,000 people come together for three days, and the biggest harm done is that some faces might hurt because they haven't stopped smiling the entire time. We thank you for each of your personal contributions to keeping this gathering positive, joyous, and safe for all.

Have a wonderful weekend. Try new things, make new friends, remember to stop and sleep, drink lots of water, and be sure to eat something! Again, our gratitude for each of you who make this such a special weekend for us all.

Reasons To Become A Corporate Sponsor Of The Flurry Festival

Economic Benefits -- 5,000 and growing!

Have your logo and name in front of over 5,000 festival participants, via stage banners, printed material, program books, posters and TV commercials. Our numbers grow each year, and we encourage our attendees to patronize our sponsors.

Health Benefits of Dance

The Flurry offers a variety of dance, giving people a fun and heartwarming activity that increases personal health and wellness. The National Heart, Lung and Blood Institute says that dancing can lower the risk of coronary heart disease, decrease blood pressure, help manage weight, and strengthen leg and hip bones. Show your support of the dance and health revolution by having your name posted on our website throughout the year.

Cultural Recognition

The Flurry Festival celebrates dance and music from around the world. In 2010, our festival ranked number seven in the Metroland Magazine's top ten cultural events in the Capital Region! Help keep the variety going.

Historic Tradition Passed On

As a sponsor, you can show your commitment to keeping history and tradition alive. We present historic music and dancing from five continents. In an increasingly electronic and progressive world, we are working diligently to preserve our past, and encourage young people to get involved. As a full-family event there is something for everyone, from 2 to 92 years old!

The Flurry is a Highly Publicized Event

Your message will be reaching our dance enthusiasts all year long. Heavily marketed through print, radio and television in the Capital Region, plus a strong online presence, your logo can have a wide-spread, year-round presence on our materials, including a growing mailing list of over 2,000 recipients. The Flurry supports year-round dancing and music activities throughout the capital Region.

Flurry Dance Tips

Help a Beginner:

We've all been there and appreciate a guiding hand.

What's the Level:

Most dances allow a range of abilities, but dances for "experienced" dancers are for those who already know the moves. There isn't time to explain the moves in the middle of a fast-paced dance.

Listen to the caller:

You don't want to miss important information during instruction or the dance.

Please Don't Go:

Your set or square relies on you being there until the end of that dance.

Feel Free to Mix It Up:

Switching partners is fun, and part of the custom.

Consider Being Fragrance Free:

Strong perfumes/aftershaves can cause reactions in sensitive folk.

Rest & Hydrate:

Dancing is exercise. Drink enough water and take breaks.

Say Thanks:

Applause lets the caller and musicians know you appreciate them. Thank your dance partner, and find another!

Enjoy!

Mistakes happen. Laughter happens. Dance and laugh often!

Sound Fundamentals I: Mando & Guitar (IBS)

Hilton Alabama, Saturday 5:00 PM - 5:50 PM

The focus is mandolin-specific topics but is open to guitar. Beginning and Intermediate levels will derive the most benefit from this session. Re-visit basics necessary to produce the "3-T's" that are of critical importance to good musicianship; Tone, Technique and Timing. Tone: - how choices in everything from picks to strings to the angle that our pick hits the string affects the production of tone. Technique - exercises will give the right and left hands individual attention (increase agility, develop speed), as well as exercises designed to improve coordination between the two. Timing - metronome basics, and other tools including "Band-in-a-Box" that can be used to improve timing.

- Wayne Fugate

Festival History

It was pure luck that the Dance Flurry Festival came into being.

In 1987, Nancy Gretta and Paul Rosenberg were car-pooling to the Brattleboro, Vermont, Labor Day Dawn Dance, reminiscing about how wonderful the one and only Old Songs Winter Dance Fest had been. In 1986, the 2nd annual Winter Dance Fest had been in the planning stages when the director stepped down, and the upcoming 1988 festival had also just been cancelled. Nancy asked Paul (partially in jest) if he would organize a replacement festival.

The wheels began to spin, and Paul thought a smaller, one-day winter dance festival could be a logical extension of the Schenectady contra dance series, which he had developed earlier in 1987. This series was unique, being dedicated to the showcasing and development of callers and musicians from within the Capital District area of NY.

The Hudson-Mohawk Country Dancers was formed as a not-for-profit chapter of the Country Dance and Song Society (CDSS) around 1987, enabling them to obtain grants, and federal and state tax-exempt status (later known as Hudson-Mohawk Traditional Dances, Inc., and now as the DanceFlurry Organization).

The first February Dance Flurry was a one-day festival held at the Westmere Elementary School in Guilderland, NY, on February 13, 1988. Over 300 dancers attended a highly successful event, staffed entirely by 38 local and regional performers, including Jay Ungar, Molly Mason, George Wilson, Selma Kaplan, Pat Rust, Mary Cay Brass, Van Kaynor and the St. Regis String Band. The festival moved in 1989 to Farnsworth Middle School, in Guilderland, NY. In 1994, two weeks before the festival, broken water pipes flooded the gym floor and sent festival organizers scrambling to find a new location. The city of Saratoga welcomed them, and has been the home of the Dance Flurry festival ever since. A festival which is one of the largest and most varied music and dance festivals on the east coast.

In 2006, Festival organizers were once again tested by the weather – this time by 100-mile-per-hour winds that knocked out power in the region from Friday to Sunday afternoon. Within hours, the organizers managed to put together a shortened version of the program, using portable generators for light and power. Many dancers and musicians who traveled long distances to attend the Flurry were grateful for the chance to have a “mini Flurry” during the day Saturday.

The Flurry Festival is still going strong. With the support of its volunteers, the dance community, its host city, and especially those who enter its doors year after year, the Festival will continue to offer the sights, sounds and traditions of music and dance that have been handed down for generations.

Sharon Katz & The Peace Train

The multicultural South African band helped Nelson Mandela end Apartheid and have continued spreading their message of peace and reconciliation through performances and workshops in festivals, educational settings and concert halls around the world. Nominated for the Grammy's "Best World Music Album," the group made history in 1992 when they organized a courageous tour on board a train -- "The Peace Train" -- to promote a peaceful transition to democracy. They were propelled into an international career, spanning three decades. Now based in the US, their pulsating rhythms, rich harmonies, guitar-driven maskanda and mbaqanga melodies, spine-tingling Zulu dances, funky basslines, Afro-jazz horn lines, intricate drum patterns, and compelling lyrics tell South Africa's story - past and present.

*Connecting and Inspiring
Through Traditional Music and Dance*

Dear Flurry Festival Participants,

Welcome to the 27th Flurry Festival! This is our 21st year in Saratoga. Over the years, the entire downtown has become an extension of the festival. The shops, restaurants, hotels, and civic buildings provide not only places to shop, eat, and sleep but often become venues for the Festival's music and dance events. Our thanks to Civic Center's staff, Hilton employees, city government, business community and local citizens who have made us feel at home.

As for the weekend's music and dance, special thanks to our Flurry Directors and staff who always manage to bring back some of our favorite performers (don't forget to fill out and turn in those Flurry surveys). Yet they are continually looking to push our musical and dance boundaries. Last year it was a techno contra, what surprise will they have for our dancing pleasure next?

Our Flurry Committee members turn the Directors' vision into reality. They spend countless hours behind the scenes insuring that all the little details are thought through so that everything from purchasing tickets to removing dance floors runs smoothly. They organize the hundreds of volunteers who give up part of their festival to staff ticket booths, information tables, and even move pianos. Without the Committee and Volunteers there would be no Flurry.

The DanceFlurry Organization's work does not end when the halls are finally clean, and the last floor panel is loaded into the truck. Thanks to the generous contributions of our members and donors, the dedication of our local dance organizers, efforts of our board members, and the support of the local dance community, we continue to dance and play music throughout the year. We hold over 80 swing, English County, family, community and contra dance events plus the Adirondack Dance Weekend (English & Contra), Stockade Assembly (English) and ALBX (Swing) dance weekends. Whether we only see you at the Flurry or at numerous events during the year, we're grateful to those of you who step up to make things happen and to those who show up and participate.

We hope you have a wonderful weekend and a safe trip home,

John Guay, President,
DanceFlurry Organization
