

***Join us for the Flurry Festival!  
Participatory Music and Dance -- and Performances***

Whether you like to watch live music and dance or want to get on the dance floor or make music yourself, you will find plenty of great sessions at the **FLURRY FESTIVAL**, a three-day event held each year over President's Day Weekend in Saratoga Springs. Over 300 performers and instructors engage 3000-plus participants in dances, workshops, concerts, storytelling, singing, and jamming. Attendees of all ages come from all over the northeast, other parts of the US, and from Canada.

While the Festival was once called the "Dance Flurry," the event has grown to include many events focused on music and performances for non-dancers and dancers alike. In addition, almost all sessions welcome beginners and you **do not** need a partner for any of the sessions.

**We would like to bring traditional music and dance to life for young people, ages 6-21, by providing them with the opportunity to experience the Flurry Festival. Free youth tickets are available for groups, those with special needs, and chaperones. Those using the tickets can choose to attend part or all of the festival. ## *Youth Outreach at the Flurry*

**Youth-serving community agencies, such as youth shelters, mentoring programs, refugee and immigrant organizations, and community centers will receive free youth and chaperone tickets to attend the Flurry Festival.**

The Flurry Festival can serve youth in many ways. At the festival, young people are:

- Participating in music and dance activities.
- Experiencing an age-integrated event where young and old have fun together in healthy ways.
- Increasing experiences in movement and exercise.
- Sharing joyful experiences with their family.
- Realizing that they can connect with the community of arts that can redirect them from life on the streets.
- Participating in community-building activities.
- Finding that they have undiscovered talents.
- Finding a more hopeful peer group to identify with in their lives.
- Finding a cross-cultural array of performers that youth can identify with and broaden their understanding of embracing differences in our world.
- Being redirected from alcohol and drug use with active and healthy engagement.

### **Stewart's Shops Holiday Match Grant**

We want to give a hearty "Thank You!" to the Stewart's Shops Holiday Match Grant, which graciously donates funds for the youth scholarship tickets. The free grant tickets provide community youth and family-serving agencies in our community, an opportunity to be a part of a fine festival. It is an act of caring for those who are our community caregivers.

We feel strongly that the Flurry Festival is a community-building event that provides healthy exercise, peaceful interactions, relationship-building opportunities and a respect for the talented diversity of our community, both local and global.
